

SELF-SEAL AUTOCLAVE & STERILISER POUCHES

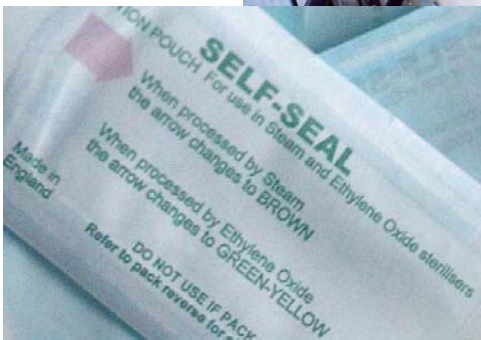

SELF-SEAL AUTOCLAVE & STERILISATION POUCHES FOR STEAM AND ETHYLENE OXIDE STERILISERS

- ◆ Self-seal pouches: Peel back, fold over and seal. No separate heat sealer required
- ◆ Manufactured from 2-ply laminate, transparent film and special quality medical grade paper
- ◆ Indicator arrows for both steam and ethylene oxide sterilisation
- ◆ Designed with off-set webs for easy opening and tack seals to prevent curling and reduce external contamination
- ◆ High integrity double chevron 'safeguard' seals

CLEAN ROOM MANUFACTURE

- ◆ Manufactured in a Clean Room facility, which is specified to operate at ISO Class 7 (FS 209E Class 10,000) classification, in accordance with International Standard ISO 14644-1:1999.
- ◆ Manufactured in the UK using a fully validated process and production technique
